3. The Company's customer complaint and returns procedure, a copy of which is available on request from the company, must be followed at all times.
4. 8. The Customer (or any customer of the Customer) shall ensure that all products supplied are adequately maintained in accordance with all or any specifications or recommendations issued by the Company. It is a condition of this guarantee that the provisions of this clause will be repeated in any contract made between the Customer and its customer.
9. The Company shall be under no liability whatsoever pursuant to the terms of this guarantee if the total price for the product has not been paid by the due date for payment.
